Job Description	
<p>Preloaded, Multi stop, 100 % Driver will hand off load using a set of rollers. Extremely tight backing: our guys back more in one day than an OTR driver does in a week. Full manual/driver off load: Goal- 3 loads per week, approximately 3000 cases per trailer. Off load averages: DT - 500 PCS per hr. FD - 300,400 pcs per hr. CSR: Our drivers are our front line! Great customer service and communication are key. TEAM WORK: Our groups work as a team, positive driver communication is huge for us and the customer.</p>
